**Everything's Better With A Mustache (Walrus Song)**

Intro: E A B B

E A A B A

When it’s dark and murky on the seafloor

E A A B A

I tend to use my mustache even more

E A A

With large tusks, so glad I’ve got ‘em

B A A

Drag ‘em through the sandy sea bottom

E A A B

When I feed, twice a day, it makes me say

E A A B A

Everything’s better with a mustache

E A A B A

Everyday’s better with a mustache

E A A B A

I’m not trying to be so selfish

E A A B A

It’s just that my favorite food is shellfish

E A

I like to use my tusks

B A A

When i’m searching for mollusks

E A A B

It’s easy, with my mustacial vibrissae (it makes me say)

E A A B A

Everything’s better with a mustache

E A A B A

Everyday’s better with a mustache

E A A B A

You know everything’s better with a mustache

C#m F#7

You know that everyday’s better, every day is better

A B E

And everything is better with a mustache
E A B A (during entire voiceover)

You know, right now I've got a mustache.
All my friends have mustaches.
My mom and my sister have mustaches too.
Huh, why even my grandma has a mustache!
It's a very important organ that helps us find our food.
It's not easy making all this blubber you know.
And we need blubber to stay warm in this cold, cold water.
So thank you mustache, for keeping us alive!

Guitar Solo:
